SUBJECT: Submittal of a resolution authorizing execution of notice of completion and acceptance for the construction of the 2015-16 ADA Upgrades on Tefft Street and North Frontage Road in Nipomo. District 4.

RECOMMENDATION

It is recommended that the Board adopt the attached resolution, which authorizes the execution of a notice of completion and acceptance of the Construction of the 2015-16 ADA Upgrades on Tefft Street and North Frontage Road in Nipomo (Contract No. 300567).

DISCUSSION

The contract was awarded to V. Lopez Jr. & Sons General Engineering Contractors, Inc. on May 4, 2016 by the County Purchasing Agent, in the amount of \$76,418.40, with a contingency amount of \$7,641.84, for a total construction budget of \$84,060.24.

This project upgraded curb ramps along Tefft Street and North Frontage Road in the community of Nipomo, in conjunction with recent pavement seal coat work. The work included removing and installing concrete curb and gutter, curb ramps and truncated domes at existing street intersections. The Project was constructed within the allowable working days and within the project budget.

OTHER AGENCY INVOLVEMENT/IMPACT

There was no other agency involved in this matter.

FINANCIAL CONSIDERATIONS

This project is a multi-year project budgeted in the Road Fund. The estimated project cost for the Curb Ramp Upgrades on Tefft Street and North Frontage Road is \$165,909. Funding for the project comes from the Road Fund – Pavement Management Program. No budget adjustment is necessary.

A final report of actual project costs will be on file with the Public Works Department after any and all claims, disputes and adjustments have been resolved. We do not anticipate the final project cost to differ materially from the current estimated total. Five percent (5%) of total contractor payments are held by the County and released only after meeting the legal holding period after the Notice of Completion is filed.

Please see Exhibit "A" for an estimated cost breakdown of the project.

RESULTS

By taking the recommended action, your Board will cause the legal notice of completion for this construction contract to be recorded, and start the period of time during which liens can be filed by subcontractors against the prime contractor.
